

# FREE EPA Lead Renovator (RRP) Training

## FREE Classes Offered in Lake Katrine, NY!

The **Lead Renovator Certification Course** includes EPA-approved lead paint safety training and the RRP certification exam. Any contractor performing qualifying work on pre-1978 homes or child-occupied facilities must employ at least one Certified Renovator who has successfully completed this training. Companies must also be registered as a Lead Safe Certified Firm with the Environmental Protection Agency (EPA).

**Individuals and firms that are not certified could face fines up to \$41,056 per day. This course will cover:**

- Dangers of lead paint dust
- Lead paint regulations
- Requirements prior to starting an RRP job
- Preventing lead paint dust contamination
- Cleaning activities & checking work
- Record keeping requirements
- RRP Certification Exam

The Ulster County Department of Health has provided funding for up to **24 individuals per session to attend this training for FREE in Lake Katrine, NY!**

Space is extremely limited, so register today to reserve your seat!
